EDUCATION

Senior Product Designer at Oak National Academy

NOV 2023 - PRESENT • LONDON, UK • CONTRACT

Led design for an e-learning web platform, collaborating with a cross-functional team to create a highly accessible and enhanced user experience driven by data and user research.

Senior UX/ Interaction Designer at Microsoft Teams

NOV 2022 - NOV 2023 • LONDON, UK • CONTRACT

Led integration of 20+ high-profile apps, boosting DAU by 200%. Designed enterprise solutions with detailed user flows, wireframes, and high-fidelity designs.

Product Designer (UI focused) at Sage

NOV 2021 - SEPT 2022 • LONDON, UK • CONTRACT (OVERLAP)

Led the creation of a Design System, developing core visuals, UI patterns, and components. Collaborated with cross-functional teams to maintain design integrity and accessibility standard.

Senior Product Designer at Gophr (start-up)

SEPT 2021 – MAY 2022 • LONDON, UK • FREELANCE (OVERLAP)

Led end-to-end redesign of Gophr's delivery solution, creating the web platform's design system, user flows, scenarios, and fully functional prototypes.

UX/UI Designer at Buzz Bingo

MAY 2019 - SEPT 2022 • LONDON, UK • FULL TIME

Worked on cross-platform products spanning mobile (iOS, Android), and web. I conducted extensive user research, developed personas, and leveraged analytics to inform design decisions.

Lead UX/UI Designer at Wash Doctors (start-up)

FEB 2018 - MAY 2019 • LONDON, UK • FULL TIME

Owned and designed customer and contractor-facing mobile apps (iOS and Android) alongside the CEO, using data and analytics to improve the experience for thousands of users.

EDUCATION

BA (honours) Advertising, GPA 89%

OCT 2021 - JULY 2014 • LONDON, UK

University Of the Arts London
